

## **Smoke Free Perth Royal Show Update**

I realise that it seems such a long time away but many things have to be completed soon.

Show date for the Clydesdale Classes is on the Saturday 2<sup>nd</sup> October 2010.

All those who have entered previously will be sent the appropriate entry forms and information pack by now. As of today 30<sup>th</sup> of April, entry forms are being delivered to all appropriate horse shops etc for those “new” entrants. If you have not been to the Royal Show for the last two years, you will not receive the posted entry forms. You can also visit the Perth Royal Show website for any updates.

Closing date for the entries is on the Friday 18<sup>th</sup> June at 4.00pm.

So get your entries in

The Judge at this stage hopes to be Nicola Ehrich from Queensland. She has been a Federal Judge for the Clydesdales for about 2 years now and will be very welcomed. I am sure by our furry companions.

Don't forget that this year incorporates a “Ridden Class” as combined with Shire/Clydesdale, but remember that you still require to enter the halter classes as this is compulsory across the Board of all classes.

Hope to see you there
